Department of Transportation Federal Aviation Administration

Supplemental Type Certificate

Number SR02062SE

This certificate, issued to:

Aerometals

3920 Sandstone Dr.

El Dorado Hills, CA 95762

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the * Regulations.

* Certification basis set forth in Type Certification Data Sheet H3WE.

Original Product—Type Certificate Number:

Make: MD Helicopter, Inc.

369HS/HM/HE, 369D/E/FF, 500N, 600N

Description of the Type Design Change: Fabrication of a replacement Aerometals Heater Control Valve Assembly in accordance with Aerometals Master Drawing List No. Aero-MDL-007, Revision A, dated February 17, 2010, or later FAA-approved revision; and installation of this assembly in accordance with Aerometals Installation Instructions No. Aero-Inst-008, Revision NC, dated March 27, 2009, or later FAA-accepted revision.

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft listed above only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless the installer determines that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft.

A copy of this certificate must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 21, 2009

Date reissued:

February 8, 2011

Date of issuance:

April 28, 2010

Date amended:

By direction of the Administrator
